(1) For exceptions, see FMC 8-22202.

(2) For exceptions, see FMC 8-22204 and 8-22206 (See reverse for Section 8-22206 “30% rule”).

(3) In R-1 districts rear and side yard requirements may be substituted for one another (FMC 8-2605(h)).

(4) Second story ADDITIONS may encroach to within the same side yard distances as those originally required for the one story structure but no less than 5 feet. (FMC 8-22205(c)).

(5) For building height definition, refer to FMC 8-2115.1.

(6) Requires Site Plan and Architectural Review. See Planning Policies and Regulations for 2-Story homes and 2nd Story Additions available on the City’s web site www.fremont.gov.

Sec. 8-22206 Rear yard exceptions and modifications.

- (a) Additions to single-family and two-family principal structures in residential districts may encroach into otherwise required rear yards to within ten feet of the rear lot line, provided that there remains an open space area in the required rear yard equal to seventy percent of the required rear yard area obtained by multiplying the otherwise required rear yard depth by the lot width.
- (b) In no instance shall the combined square footage of both accessory structures and building additions exceed thirty percent of the required rear yard.
- (c) No structure or addition projecting into the required rear yard shall exceed one story in height.
